

REMARKS / DISCUSSION OF ISSUES

The present amendment is submitted in accompaniment of an RCE filed on August 11, 2011. The foregoing amendments to the claims were made in light of an informal telephonic interview conducted with the Examiner on August 11, 2011 in which the Examiner indicated that the claims as filed in the Amendment, mail date July 11, 2011 were too broad. Applicants believe they have complied with the Examiner's request as embodied in the foregoing listing of claims. Applicants furthermore reserve their right to reintroduce subject matter deleted herein at a later time during the prosecution of this application or continuing application.

Conclusion

In view of the foregoing amendments and remarks, it is respectfully submitted that all claims presently pending in the application, namely, Claims 29- 54 are believed to be in condition for allowance and patentably distinguishable over the art of record.

If the Examiner should have any questions concerning this communication or feels that an interview would be helpful, the Examiner is requested to call Mike Scaturro, Esq., Intellectual Property Counsel, Philips Electronics North America, at 516-414-2007.

Respectfully submitted,
